

# Angeline's at home!

Angeline's is now offering a very limited menu of our favorite items that can be prepared at home.

In an effort to help alleviate some stress for our customers and community, Angeline's is offering a limited menu of our delicious items that you can bring home and reheat. In addition, we're offering some other options which are available through our restaurant but are sometimes difficult to find at your local grocery store.

While we have discontinued weekend delivery for our At Home menu at this time, please contact us at the restaurant if you require special accommodation.  
Curbside pick-up is available at the restaurant  
Tuesday 11:30am-6:00pm  
Wednesday-Sunday 11:30am-9pm

Please visit our website to place an order or call 510.548.6900.

All delivery gratuities will be given to our coworkers who are currently furloughed.
